

# 16 YEARS OF AULA SIMFONIA JAKARTA

Sixteen years of music, sixteen years of God's grace.

From its very first note, Aula Simfonia Jakarta has stood as a home where great music is brought to life, intertwining musicians and audiences together in the universal language of music. What started as a vision has grown into a place where music and people meet.

***"I hereby present Aula Simfonia Jakarta to all musicians, from music creators to music listeners. We wish that this hall will be a good home for music lovers in Indonesia."***

A vision realized, and a promise kept. Ever since its inauguration, Aula Simfonia Jakarta has not missed a beat, presenting concerts at the highest quality, nurturing Indonesian musicians, introducing classical music across all eras and genres, while inspiring audiences of all ages.

In celebration of this anniversary, we are honored to present the monumental Beethoven's Symphony No. 9. This masterpiece was performed under Stephen Tong's direction in 2012 and 2019.

Now at 85, he will once more lead JOS and JSO, an honor and a celebration we deeply cherish.

From the bottom of our heart, we thank you for your unwavering support and for embracing Aula Simfonia Jakarta as your home.
